### **Our Website has a New Look** ***Girl Power! Launches a Website Redesign***

Miami, FL (August 2, 2010) – <http://www.girlpowerrocks.org> has a new look. Girl Power! understands that our interaction with the community is extremely important, but equally as important is the community's interaction with us... not just Miami's Liberty City community, but the Internet community as well. Therefore, we've created an online Girl Power! space where friends and supporters can come and not only get a glimpse at how our nonprofit benefits others but how they too can benefit us.

Our new and interactive website design features:

- A **Facebook Social Plugin**. "Like" us right from our website, then when you visit your Facebook page, suggest your friends check out our site and "Like" us too.
- A **GreatNonprofits Badge**. GreatNonprofits is a place to share knowledge and help other people discover trustworthy nonprofits that are making a difference; click on our site's GreatNonprofits badge and share GP! feedback with others.
- **GP! Newsletter Signup**. Our newsletter rocks and now it's super easy to receive it. Signup at our site today.
- A **Photo & Video Gallery**. Whether or not you're able to attend or participate in Girl Power! events is no longer an issue... View pictures and videos whenever you like, right on our website.
- A **Donate Button**. Now it's as easy as 1 – 2 – 3 to help us help the community. Donate **dollars**, **products** and/or your **time** to Girl Power! today.
- And last, but definitely not least, **Contact Us** anytime while online. Click on our "Contact Us" tab to send us a question, comment or concern.

At Girl Power! we're working hard to stay in touch with you. Doing so, helps us do a better job at serving others. So visit <http://www.girlpowerrocks.org> today. For more information contact Sherri Jones at (305) 756-5502.

**About Girl Power!**

Girl Power!, established in 2000 by the World Literacy Crusade of Florida, is a 501(c)(3) nonprofit day and after-school social change program that promotes positive behavior, enhances social skills and improves academic performance in at-risk, adolescent girls ages 11 to 17. Visit us at <http://www.girlpowerrocks.org>.
